Your pet's health and happiness is our primary concern. If the animal attendants notice a medical problem they will attempt to contact your emergency number. An emergency contact number MUST be provided upon check-in. The emergency contact person MUST be an adult, capable of making decisions for you regarding your pet's health and able to be reached within the continental U.S. Please note that whomever you choose as your emergency contact they are authorized to make medical decisions for your pet. You will assume all financial responsibilities for approved medical services provided during your pet's stay. Should a life threatening (critical) medical condition occur during their stay and attempts to reach your emergency contact are unsuccessful medical decisions regarding your pet's care will be made by the animal attendant on duty. You will be responsible for all medical charges associated with the management of this event.
