All animals are boarded, handled or cared for by us without liability on our part for loss or damage from disease, death, fire, injury to persons, other animals or property by said animals, or other unavoidable causes.

Each animal is insured up to \$2,000. Each occurrence is insured up to \$50,000.

If an animal becomes seriously ill, we will attempt to notify the owner or emergency contact person. In the event the owner does not immediately inform us of desired measures to be taken, or if the state of the animal's health demands immediate action, we reserve the right to have our veterinarians or those within the VetCor network of hospitals administer necessary medical treatments within our discretion or judgment. Such expenses shall be paid for by the owner upon dismissal of the animal.

Some exotic pets are considered prey animals and may become extremely stressed in a boarding environment. Although rare, such stress can lead to death in exotic pets. I understand and assume the risk associated with boarding exotic pets.

If an animal is not picked up within 30 days after the scheduled discharge date, it will be disposed of by us as we see fit. Notice in writing of such intent will be mailed to the owner by registered mail at the address given hereon. The owner shall be held liable for all charges.

I have read and been advised of common boarding ailments that may occur during boarding. I understand these protocols and the measures that will be taken should my pet become ill.
